Vame 21? rel print clearer on ertect snaps VELOX in every light on paper lade Zid.s Barsides Photogra Li Chamiste Oruskisk. TRIED THE HAVE new film YET? BIG POSTCARI Super Sensitive Panchromatic Roll Film Enlargements is the latest bit of Kodak's ealon wizardry. Try it-be careful, it's very 'fast'-and vividlymade from your snaps reetis coloured subjects will come out with amazing brilliance, (size 57/8 x 41/8") for, although you do not get the colours themselves, you **6D. EACH** get true tone-value of every shade. Moreover, you can A Christmas CARD take snapshots later in the FOR 1/3, 6 FOR 2/ 3 made from one of your own snape is the most original, most personal and byfar the least expensive form of private greetings card. Just put aside the negative until September, when you can select one of our Greeting Card Designs and we will do the rest. day; and even indoorswith a 'Sashalite' or (FROM SAME NEGATIVE) 'Photoflood' bulb. IN ART FOLDERS.

Old photo packet from Garsides Chemist (undated)..

Advert for Garsides from the Ormskirk Grammar School magazine of 1962
