EVERY DESCRIPTION OF REPAIRS.

To whom it may concern. January 1st. 1940

The Bearer of this note, Joseph Rimmer,  
has been in my employ as a motor mechanic  
and electrician, steady and trustworthy, for  
more than 20 years.

The reason for him being now free  
is the crippled state of the motor trade generally  
and the impossibility of obtaining supplies  
sufficient to carry on.

William Biggs.
